FOOD RECOVERY

Did you know the United States discards more food than any other country in the world: nearly 60 million tons — 120 billion pounds — every year. That's estimated to be almost 40 percent of the entire US food supply. In an effort to not let food go to waste. We have bins placed by the end of the checkout lines. Place unopened items you do not want into the bin. This is a way for us to fight against food waste and give what we can back to the food bank in our community. Please do not put trash in these bins.

LOST & FOUND

The Student Support Services office has a metal cabinet with lost & found items. Items that are not picked up will be removed at the end of each month.

LUNCH

***REMINDER* to all students that food delivery or drop off on campus is not allowed.**

For the health and safety of all students, the Alhambra Unified School District enforces a No Food Drop-Off Policy. The staff will not accept food to be dropped off for students. If you have any questions, please contact Student Support Services. Thank you.

STUDENT PARKING

Students can only park their vehicles using the baseball parking lot and on the left side facing Hellman. The right side, closest to the school, is reserved for visitors. Parking spaces are limited, and it's first come first served. The front lot will be closed at 7:30 AM
