HISPANIC HERITAGE MONTH

Today we recognize Dr. Ellen Ochoa for Hispanic Heritage Month. She is the first Hispanic woman to ever go into space. When she was younger, her teachers discouraged her from pursuing a job in the sciences. After years of hard work and being rejected, she was finally accepted into the space program. She has flown 4 space missions and tells students that the key to success is to never stop learning and always work hard.

HOMECOMING DANCE

Homecoming dance is next week **Sat, Sept 27th** and tickets are almost SOLD OUT!
