### **CYBERSECURITY TEAM**

Shoutout to our Cybersecurity Team for the focus and effort it took to advance to the SEMIFINALS of the AFA CyberPatriot competition, placing them among the top high school teams in the country.

The CyberPatriot competition is fast-paced and intense. Teams are given computer systems with security problems hidden throughout. Their job is to find weaknesses, fix them, and secure the systems before time runs out. Every move matters, and small mistakes can cost points.

What makes this exciting is that the challenges are based on real cybersecurity skills used in actual jobs. Students work under pressure, solve tough problems, and rely on teamwork to succeed. It is hands-on, intense, and nothing like a typical class assignment.

### **EXPECTATION ASSEMBLY**

Expectations Assembly will be held this **Friday, January 9th in the auditorium**. To ensure all MKHS students attend, each grade level will have their own presentation:

- 11th grade - 2nd Period
- 10th grade - 3rd Period

- 12th grade - 5th Period
