STUDENT PARKING

This is a reminder that student parking is NOT permitted in the front lot. All students must park in the designated student parking area at the baseball field.

Please also note the following:

- No parking in handicap stalls at any time. Vehicles parked in these spaces without a valid placard will be cited.
- Do not remove cones from reserved parking stalls.
- Do not create your own parking space. This creates a serious safety issue, especially for our school buses entering and exiting campus.

Any student found in violation of these parking expectations will be placed on a School Improvement Plan and/or cited by the Alhambra Police Department.

Additionally, seniors who violate parking rules will lose their senior privileges. We expect all students to follow these guidelines to ensure safety and respect for our campus. Thank you for doing your part to keep Mark Keppel safe and organized.
